SUBJECT: **Removal Of DD15/DD13 Gear Lash Adjusting Tool,
P/N: W470589012100, from Tool List**

ISSUE

The gear lash adjusting tool, P/N: W470589012100, which was intended to adjust gear lash in chassis has been removed from the DD15/DD13 special tool list. Please do not attempt to order this tool. All open orders for this tool have been cancelled. No one has been billed for this tool. In the near future, a new procedure will be published in the workshop manual outlining the steps for adjusting gear lash in chassis that will not require the use of any special tools.
