

No.: 05 TS – 39
August 18, 2005

TO: DDC Distributors, FLLC Dealers

FROM: Technical Support

SUBJECT: **MBE Progressive Shift Calculation**

ISSUE

Correctly calculating the Progressive Shift value

REQUIRED ACTION

Users can now access the Progressive Shift calculator on DDC's extranet. This template will allow users to calculate the Progressive Shift value for MBE engines.

The template is located on the Extranet under Support – On-Highway – Service Information – Specialized Service information – Progressive Shift on an MBE.
