

Extended Five-Year or Three Thousand (3000)-Hour Stationary Standby Limited Warranty

Your product has been manufactured and inspected with care by experienced craftsmen. If you are the original purchaser, DDC/MTU Power Generation, hereinafter referred to as the manufacturer, warrants for five years or three thousand (3000) hours, whichever occurs first, that the system will be free from defects in material and workmanship if properly installed, maintained, and operated in accordance with manufacturer's instruction manuals. An authorized distributor or representative must perform startup.

This warranty is not effective unless a proper extended warranty registration form and warranty fee have been sent to the manufacturer within one year of supervised startup.

During the warranty period, repair or replacement at the manufacturer's option will be furnished free of charge for parts, provided an inspection to the manufacturer's satisfaction discloses a defect in material and workmanship, and provided that the part or parts are returned to the manufacturer or an authorized service station, if requested. This extended warranty expires five full years after date of startup or after 3000 hours of operation, whichever occurs first. Labor is chargeable to warranty for the first two years of the five-year warranty.

This warranty does not apply to malfunctions caused by damage, unreasonable use, misuse, or normal wear and tear while in your possession.

The following will **not** be covered by this warranty:

1. Normal engine wear, routine tuneups, tuneup parts, adjustments, and periodic service.
2. Damage caused by accidents, improper installation or handling, faulty repairs not performed by an authorized service representative, or improper storage.
3. Damage caused by operation with improper fuel or at speeds, loads, conditions, modifications, or installation contrary to published specifications or recommendations.
4. Damage caused by negligent maintenance such as:
 - a. Failure to provide the specified type and sufficient lubricating oil.
 - b. Failure to keep the air intake and cooling fin areas clean.
 - c. Failure to service the air cleaner.
 - d. Failure to provide sufficient coolant and/or cooling air.
 - e. Failure to perform scheduled maintenance as prescribed in supplied manuals.
 - f. Failure to exercise with load regularly.
5. Original installation charges and startup costs.
6. Starting batteries and the following related expenses:
 - a. Labor charges related to battery service.
 - b. Travel expense related to battery service.
7. Engine coolant heaters, heater controls, and circulating pumps after the first year.
8. Rental of equipment during performance of warranty repairs.
9. Non-authorized repair shop labor without prior approval from the manufacturer's warranty department.
10. Parts purchased from sources other than the manufacturer. Replacement of a failed part with a non-manufacturer's part voids warranty on that part.
11. Fuel injection pumps not repaired locally by an authorized servicing dealer.
12. Radiators replaced rather than repaired.
13. Engine fluids such as fuel, oil, or coolant/antifreeze.
14. Shop supplies such as adhesives, cleaning solvents, and rags.
15. Expenses incurred investigating performance complaints unless the problem is caused by defective manufacturer's materials or workmanship.
16. Maintenance items such as fuses, filters, spark plugs, loose/leaking clamps, and adjustments.
17. Labor and travel charges for third, fourth, and fifth years of warranty.

A Startup Notification form must be on file at the manufacturer. A Startup Notification form must be completed by Seller and received at the manufacturer within 60 days after the date of initial startup. Standby systems not registered within 60 days of startup will automatically be registered by the manufacturer using the ship date as the startup date.

To obtain warranty service, call 1-920-451-0846 for your nearest authorized service representative or write DDC/MTU Power Generation, 605 North 8th Street, Sheboygan, Wisconsin 53081 USA.

The manufacturer shall not be liable for special, incidental, or consequential damages of any kind including, but not limited to, incidental consequential labor costs, installation charges, telephone charges, or transportation charges in connection with the replacement or repair of defective parts.

This is our exclusive written warranty. We make no other express warranty, nor is anyone authorized to make any in our behalf.

Any implied or statutory warranty, including any warranty of merchantability or fitness of purchase, is expressly limited to the duration of this warranty. Some states do not allow limitations on how long an implied warranty lasts, or the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you.

This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.
